Issued by Met Office Aberdeen
at 1600 on Thursday 24 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Friday dull, wet and feeling cold compared to recent days.

This Evening and Tonight:
Staying cloudy with further rain at times, this quite heavy in the Borders this evening but otherwise it will be light. Winds veering to the north and freshening late in the night. Minimum temperature 10 deg C (50 deg F).

Friday:
Fresh to strong northerly winds combining with overcast skies, occasional rain and temperatures well down from Thursday to make it feel cold. Maximum temperature 16 deg C (61 deg F).

Outlook for Saturday to Monday:
Perhaps still quite cloudy on Saturday, but a fine dry spell of weather with some long sunny spells, and becoming warmer. Winds will be light.
